EFFECTIVE CONCENTRATE CONTROL

Active Ingredient:

Garlic Oil.....1%

Other Ingredient:

Citric Acid (from corn).....0.005%

Potassium Sorbate (to preserve freshness).....0.002%

Soap.....98.993%

(Soap-The water soluble sodium or potassium salts of fatty acids produced by either the saponification of fats and oils, or the neutralization of fatty acid)

Adult Aerial Application: Dilute 5 - 8 fl oz. per gallon of water. Atomize and apply over infested area. Repeat as necessary.

Larvae Application: Dilute 5 fl oz. to 1 gallon water. Apply over water ways. Repeat as necessary.

Fogging/Misting: Mix 5 - 8 fl oz. per 1 gallon of water. Apply as a space spray through conventional fogging equipment misting systems (including mist sprayers and mist blowers), automated spray systems, and/or related application technologies. Re-treat if re-infestation occurs.

Outdoors/Perimeter Treatments:

Dilute 5 - 8 fl oz. per gallon of water and apply at a rate of 1 gallon per 1,000 square feet or until area is thoroughly wet. Also apply to a band of soil and vegetation 6-10 feet wide around and adjacent to buildings. Treat the building foundation to a height of 2-3 feet with sufficient water for coverage. Make special efforts to spray areas where pests congregate and around potential entry areas such as eaves, windows, doorways, porches, and around utility boxes. Treat harborage areas such as shrubbery and vegetation where mosquitoes/flees may rest. Shrubby and vegetation around stagnant pools, marshy areas, ponds and shorelines may be treated. Repeat as necessary.

Soft Bodied Insect Control:

For other soft body insects dilute 5 - 8 fl oz to 1 gallon water. Apply over infested area as needed.

STORAGE & DISPOSAL

Do not contaminate water, food or feed by storage or disposal

FOR CONTAINERS LARGER THAN ONE GALLON:

PESTICIDE STORAGE AND SPILL PROCEDURES: Store upright at room temperature. Avoid exposure to extreme temperatures. In case of spill or leakage, soak up with an absorbent material such as sand, sawdust, earth, fuller's earth, etc. Dispose of with trash.

CONTAINER DISPOSAL: Triple rinse or its equivalent, then offer for recycling or reconditioning, or puncture and dispose of with ordinary trash.

STORAGE: Store in original container in a dry cool place inaccessible to children and pets.

DISPOSAL: Do not reuse container. Discard in trash.

LIMITATION OF LIABILITY

To the fullest extent permitted by law, the manufacturer disclaims any liability whatsoever for special, incidental or consequential damages resulting from the use or handling of this product. Buyer assumes all responsibility for safety and use not in accordance with label, directions and precautionary statements.

This product is a Minimum-Risk pest control product, and qualifies for exemption from EPA registration under section 25(b) of Federal Insecticide, Fungicide and Rodenticide Act (FIFRA). The active ingredient in this product is also exempt from pesticide residue tolerance requirements. Product may only be purchased and used in US States that are either exempt from registration or have been approved for use in that state.

Manufacturer makes no warranties of any kind, express or implied with respect to Skeeter Gone. Manufacturer's and seller's obligation limited to replacement of product for defective material only. Neither seller or manufacturer shall be liable for any injury, loss or damage directly or consequentially arising from the misuse or inability to use the product.
